Underglaze Decorating Pencil Instructions

1. Do not use a pencil sharpener. It is best to sharpen with a knife or blade.
2. Apply to bisque ware to create a variety of unique decorative designs, add shading or create fine line drawings.
3. Dust lightly with a brush to remove excess particles.
4. Sponge on a first coat of clear transparent glaze lightly to avoid smearing design. Let dry and brush on additional coats of clear glaze. This step is not necessary if the glaze is applied by spraying, dipping or pouring.
5. Fire piece to maturing temperature of the covering glaze.
